**There's trouble in River City when a fast-talking salesman gets his heart stolen by the town librarian.**

By turns wicked, funny, warm, romantic and touching, **The Music Man** is family entertainment at its best. Meredith Wilson's six-time, TONY Award winning musical comedy has been entertaining audiences since 1957 and is a family-friendly story to be shared with every generation.

**The Music Man** follows fast-talking traveling salesman Harold Hill as he cons the people of River City, Iowa into buying instruments and uniforms for a boys' band he vows to organize - this despite the fact he doesn't know a trombone from a treble clef. His plans to skip town with the cash are foiled when he falls for Marian the librarian, who transforms him into a respectable citizen by curtain's fall.
