

ASHTON WOOD SWIM & TENNIS CLUB

TENNIS RULES

It is the intent of the Swim and Tennis Committee to Provide for the maximum usage of the tennis courts in the fairest manner so that all members of the Ashton Wood Swim and Tennis Club have an equal opportunity to play tennis. It should be clear that the Club cannot and will not attempt to make a rule for every situation. We ask all member tennis players to read, understand and follow the rules of the Club in the spirit of fair play and sportsmanship. It is the members' responsibility to inform their children and guests of these rules and be accountable for their actions. The Board of Directors has the authority to make, amend and enforce rules and regulations. The Swim and Tennis Committee has immediate authority to enforce rules and regulations. To preserve the rights of all players, infractions of these rules must be reported to members of the Swim and Tennis Committee.

1. The tennis courts are for the use of Ashton Wood Swim & Tennis Club members and their guests only. A non-member of Ashton Wood Subdivision cannot be a guest. All guests must be accompanied by a member at all times.
2. Proper tennis shoes must be worn. Even with the best court surface, improper footwear can easily mar the surface. The court is made of a relatively soft material designed to cushion the legs of the players and provide a consistent bounce to the tennis ball.
3. Racquets and other equipment with design features that could damage the surface are not permitted (for same reasons stated in Rule #2).
4. Players should wear appropriate clothing while playing on the courts.
5. Only players should be on the tennis courts; no spectators, toddlers, small children or pets. Children and spectators are also not permitted to stand on the apron outside the fence or hang on the fence. In consideration and common courtesy of others, please do not use audio equipment at tennis courts (such as radios).
6. No food or beverage other than water (no sports drinks, tea, soft drinks, etc.) and no glass containers are permitted inside the fence of the courts. There are no trash containers at the tennis courts, so please take any trash, litter, etc. with you when you leave. (Particular attention should be given to removing all tennis ball cans and can lids from the courts upon completion of play.) No gum chewing. No smoking inside the fenced areas of courts.
7. No bicycles, riding toys, stroller, skates, skateboards or similar items are permitted inside the fence (See Rule #2 for reason).
